## The Principal's Column

### TRAFFIC PATTERNS – SAFETY FIRST!

Due to the heavy bus traffic before and after school, all vehicles must enter the school grounds via Lords Walk. At the end of **LORDS WALK make a right, then a left on to CHATHAM ROAD**. Follow Chatham Road to the rear parking lot. If you plan to accompany your child to the school, you may park in either the rear or the front parking lots. The **Kiss and Drop Zone is adjacent to the large flower boxes in the rear parking lot**. Please keep to the left, as close to the flower boxes as possible. Only emergency vehicles and taxis for our special needs students may enter the front gates of the school from Norwich Road. Thank you for your understanding, and please remember to drive carefully on our campus!

### GOLDEN ROCKY'S

We had 17 students receive their Golden Rocky award on Friday. Congratulations to all!

### LOST AND FOUND

Has your child lost an item of clothing? If so, check our lost and found. The lost and found rack is

located at the end of the breezeway nearest the cafeteria.

If it is a small item, such as jewelry, please ask at our reception desk.

### LES SHOWCASE ANTHOLOGY WINNERS

Art Department

Congratulations to the students whose artwork was selected and now goes forward to the final judging for the 2009 Showcase Anthology! You can see the entries at the end of this newsletter. These selections, made by the local LES ARTS Committee, are now on their way to Germany and must go through two more selection committees.

The publication of the Showcase Anthology involves all of the DoDDS schools in Europe; therefore each school is allocated just a few entries, based upon each school's enrollment figures. Hopefully, LES will have some of these wonderful works chosen for the Anthology! Announcements of finalists to be published will not come to us until the first of June. We are so proud of the talents of all of our 27 LES contestants!

### PUBLICITY AND COMMUNICATIONS COMMITTEE

### AYA GYMNASTS DAZZLE THE CROWD

The Special Events Committee and the Physical Education Department

of Lakenheath Elementary School are sponsoring a month-long February Fitness Festival.

The first of several local community groups to perform for the student body was the American Youth Activity (AYA) gymnastics team. The students watched intensely as the young gymnasts did one-hand cartwheels, completed multiple flips on the mat and jumped as high as ten feet in the air from the springboard.

Every child watched in amazement as the young performers dazzled the audience with quick moves and precision. The male and female gymnasts were as young as seven years old.

As the audience left the gymnasium, the young children were excited and impressed by the talents displayed on the mat. Next week's special fitness group will be the AYA karate team.

### PTSO KIDS CLUB

It is still not too late to join the Lakenheath Parent Teacher Organization (PTSO). Our school has one of the most active groups of parent volunteers in Europe. One of the many wonderful activities sponsored by the organization is the monthly Kids Club.

Last week the PTSO volunteers helped Kids Club students create decorations for the Valentine's Day Bazaar held on Saturday.

Would your child like to be part of the Kids Club? If so, this is how it works:

- (1) As soon as you are a member of the PTSO your child will be invited to attend.
- (2) You will receive an e-mail invitation from the PTSO.
- (3) You will need to print and sign the permission slip after you respond to the e-mail indicating that your child wishes to attend the monthly Kids Club.
- (4) A student must have a permission slip in hand before he or she is allowed to attend Kids Club. This helps teachers and PTSO volunteers know exactly where your child is supposed to go after school.

Thank you PTSO!!!!
